

WHY CustomUSB?

You've got a lot of choices when it comes to promotional products, but vendors and manufacturers aren't created equal. Here are a few things that set us apart from the rest.

15+ YEARS EXPERIENCE

We've shipped millions of USB drives and other promotional products to happy clients across the world.

BUILT IN THE USA

We are our own manufacturer, meaning we can choose each component for performance and longevity, and we can resolve quality issues more quickly than overseas supplies can.

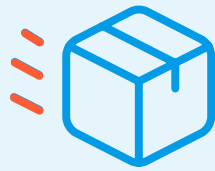

LIFETIME WARRANTY

Be sure you're putting your best foot forward with promotional products that are guaranteed to last.

NO MINIMUM ORDER QUANTITIES

Just need a few pieces? CustomUSB can field orders of any size.

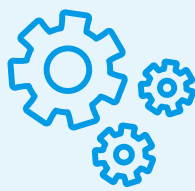

NEXT-DAY DELIVERY

Because we manufacture here in the USA, we can easily fulfill rush orders, with delivery as fast as the next day.

IN-HOUSE DESIGN TEAM

Is your branding not ready for primetime? Don't worry! Our expert in-house design team will optimize your logos, color palettes and more.

CUSTOM DESIGN SOLUTIONS

We don't shoehorn your branding into cookiecutter templates. We design products around your brand, making the best solution for your needs.

INDUSTRY EXPERTS

We offer a range of top custom products, including USB drives, mobile accessories and much more!

We're industry-leading subject matter experts in these materials and processes:

Flash Memory

UV Printing

Engraving

PMS Match & Spot Color

Molding & Tooling

ABS Plastic

PVC Rubber

Metal

Wood

We create unique experiences for brand-driven companies and organizations by designing, manufacturing and customizing consumer electronics and accessories to stand out in a competitive marketplace.
